

## SPONSOR-A-CLASSROOM

Please prayerfully consider participating in our Sponsor-a-Classroom program. This is a wonderful way for parents, grandparents, other relatives, friends or businesses to help the students here at Cornerstone. A \$50 gift will sponsor your child's classroom for one month (\$100 will sponsor the high school for one month). You may sponsor as many months and/or classrooms as you choose! All sponsorships are acknowledged in our newsletters and on a special bulletin board inside the school.

The sponsorships allow teachers to enhance the classroom in a variety of ways throughout the school year. Funds are used to purchase motivational instructional material, awards, incentives, special books, craft supplies, posters, and fulfill unexpected needs that arise.

Thank you in advance for your kind support!
